

Steps on how to use the GHS E-learn portal

The GHS E-learn portal shall enable students of GHS to be able to access assignments / worksheets / videos given to them by their teachers, and also allow discuss and post any questions related to those assignments. This portal shall further be used to conduct Online Tests. The portal is intended to be used both on Desktop Computers and Mobile Devices.

This document shall explain how to use the portal, and explain various terms and settings that are made available to the students. Parents and Students are advised to go through this page and familiarize themselves with the various features, terms used throughout the portal.

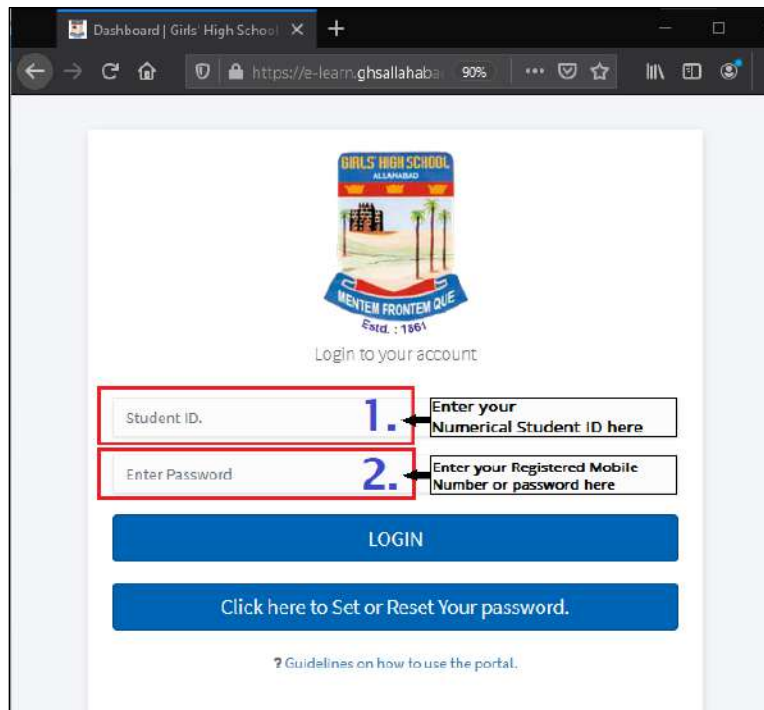

Terms:

- Student ID / Admission Number: The Unique Numerical Admission number given to each student from the school (eg 1822)
- Mobile Number: The primary registered mobile number in school records for the student.
- Assignment: The Uploaded Assignment/Worksheet provided by the Teacher.
- Discussion : The Questions posted by students, and replied by the concerned teacher in relation to the Assignment.
- Push Notification: The system sent alerts that notify new assignments or replies given by teachers.

Step 1: The E-learn Portal can be accessed at this secure URL :

<https://e-learn.ghsallahabad.org>

Preferred Browsers : Chrome, Firefox on Windows or Android phones.

On this Page,

1. Enter your number Student ID/ Admission Number in first field.
2. Enter Registered Primary Mobile Number or your Password in Second Field, and then click on **LOGIN** Button.

If there are is any mismatch of information, an error shall be displayed. In case you have entered the student Number or Mobile number incorrectly, you may correct it and re-try.

If you are still unable to move to Second Step, you may contact your teacher for assistance.

Step 2: Student Dashboard.

The screenshot shows the Student Dashboard for Girls' High School & College, Prayagraj. The dashboard is divided into several sections:

- Left Sidebar:** Contains navigation links: "Test Student" (1), "e-Learn Assignments", "Online Tests", "Add another student" (2), and "Remove e-Learn Portal" (3).
- Student Profile:** Displays student details: "Test Student" (4), "Class Test", "Birthdate", "Mobile: 9721152287", "Email", and a "New! Online Tests" button (5).
- Header:** "Welcome to e-Learn Portal".
- e-Learn Assignments:** Shows "Current Assignments" and "Elapsed Assignments". A specific assignment for "Art" is highlighted (6), with a "Test Assignment" and a deadline of "31/05/20". Below the assignment are buttons for "Video 1" (7), "Assignment", and "Discuss" (8).

At the bottom, it states: "Designed and Developed by Cyber Networks © 2020 Girls' High School & College, Prayagraj.. All Rights Reserved."

On The student Dashboard page, the Available links, and their function are described as below:

1. Menu Bar Link . This is used the Show/Hide the Left Panel Menu.
2. Name of the Student : This is the Student name for which the dashboard is presently open.
3. Add Another Student: In case, a parent wishes to use this portal for more than one student, then they may use this link to add another student to the dashboard.
4. Remove e-class Link. This is used to LOG out of the portal. ***It is however suggested to not Log out of the portal, unless you are using the portal on a shared device, or computer*** (eg Cyber café , friends computer etc). Logging out will disable PUSH notification and alerts that the portal may send to you.
5. Student Information Detail: Brief Details about the Student
6. Name of the Assignment And Subject.
7. Buttons to Download the Assignment or Watch related Videos.
8. Discuss Button to ask any questions.

Further, for the first time visitor, the Dashboard shall present with a browser alert to Allow Notifications to be sent.

Parents/Students are advised to click on Allow button to enable the Notification alerts
(This feature is presently available only on Chrome/Firefox users on Windows/Android PCs/Phones)

The screenshot shows a web browser window with the URL <https://e-learn.ghsallahabad.org/index.php>. A notification alert is displayed, asking for permission to send notifications. The 'Allow Notifications' button is highlighted with a red box. The user profile section shows 'Test Student' with a 'Class Test' label. The profile details include Birthdate, Mobile (9721152287), and Email. A 'New! Online Tests' button is visible. The 'e-Learn Assignments' section shows 'Current Assignments' and 'Elapsed Assignments' tabs, with 'Art' listed under the current assignments.

Step 3 : Watch Assignment Related Videos, or download the Assignment.

Students may use the links provided through buttons to watch Assignment related videos (if any)
And/OR Download the Assignment file using the buttons as shown below.

The screenshot shows the assignment interface for 'Computer' with the title 'Introduction to Tuple'. The deadline is 'Complete Assignment and Watch Video before: 25/04/2020'. A row of buttons is displayed: 'Video 1', 'Video 2', 'Video 3', 'Video 4', 'Assignment', and 'Discuss'. The 'Assignment' button is highlighted with a yellow box, and the entire row of buttons is enclosed in an orange box.

Step 4: Use of Discuss Button

Discussion feature has been provided for the students/parents to ask assignment related questions to the concerned teacher, and view the teachers' reply.

The Discuss button may be used for the same.

Note: Students should ask relevant, assignment related questions only. Each submission is flagged with the Student's ID, Name and IP address. And any misuse of this shall be reported.

The Discuss page shows the following options:

The screenshot shows a discussion page titled "Discussion Page for Computer - Introduction to Python List". At the top right, there is a "Post a new question" button (1). Below the title, there is a "← Back to Assignment List" link (2). The first question is "Sir How Python is an Object Oriented Language?" (3), posted by Gaurav Agarwal on 19/04/2020. Below it is a teacher's reply: "Reply posted by your teacher Mr/Ms. Dinesh Chandra on date: 19/04/2020" with the text "Python is an Object Oriented Language Got it" (4). A second question is "Hi Sir What is the difference between Mutable and Immutable", also posted by Gaurav Agarwal on 19/04/2020, with a teacher's reply: "Reply posted by your teacher Mr/Ms. Dinesh Chandra on date: 19/04/2020" with the text "Look into the documents shared with you".

1. Post New Question Button
2. Back to Assignment List Link
3. Question Asked by Teacher
4. Answer Replied by Teacher

To Post a new question the Button may be used, which presents a text box for the submission of the question.

Note: Questions may be posted only on and before the last date of submission of the assignment.

The screenshot shows the "Post New Question" form. At the top right, there is a "Post a new question" button. Below the title "Discussion Page for Computer - Introduction to Python List", there is a "← Back to Assignment List" link. The main heading is "Post New Question". Below it, there is a note: "Ask only questions related to this topic. Unrelated questions will be deleted/ignored." A text input field contains the placeholder text "Please enter your question here...". At the bottom, there is a "Post Question" button.
