

## **Mission Shakti Campaign Phase 3** **21<sup>st</sup> August 2021 to December 2021**

With its commitment to provide safety, honour and empowerment to women, the third phase of our Chief Minister Yogi Adityanath ji's massive campaign '**Mission Shakti**' will be launched from 21<sup>st</sup> August 2021 and will continue till December 2021.

The Girls' High School & College is ever enthusiastic to join campaigns, which promote empowerment, dignity and self reliance of the girl child and vows to contribute towards advancing the cause. We will be organizing various programmes and projects to further encourage the virtuous goal of the Government's noble endeavour and work towards 'zero' tolerance to crimes against women & also towards empowering them into being self reliant & confident individuals.
